WORK ZONE AWARENESS WEEK

Featuring Director of the Office of Construction Dan Hurtado

April 26-30 is Work Zone Awareness Week! FDOT Director of the Office Construction Dan Hurtado speaks on the importance of work zone awareness.

Work Zone Safety is in your hands! Drive with caution.

- **Stay Alert and Minimize Distraction**
 - Dedicate your full attention to the roadway.
 - Avoid changing the radio station, using a cell phone, eating, or any other distractions that can remove your concentration from the road.
- **Pay Attention to the Road**
 - Read and follow the signs.
 - Watch traffic around you, and be prepared to react.
- **Don't Tailgate**
 - Follow other vehicles from a safe distance.
- **Obey the Posted Speed Limit**
 - Normal speeds may be reduced, traffic lanes may be closed, narrowed, or shifted, and people may be working on or near the road.
 - Fines may be doubled for moving traffic violations.
- **Follow Instructions from Flaggers**
 - Flaggers are often used to stop and direct traffic in work zones.
- **Expect the Unexpected**
 - Workers, work vehicles, or equipment may enter your lane without warning.
 - Other vehicles may slow, stop, or change lanes unexpectedly.
- **Be Patient and Stay Calm.**
 - Work Zone crew members are working to improve the road and make your future drive safer and better.

For information on scheduled lane closures on FDOT Construction Projects that affect traffic to/from and in Miami Beach, please [click here](#).
