FLOODING ON BISCAYNE BOULEVARD

Due to heavy rain, there is flooding on the northbound and southbound lanes of Biscayne Boulevard from north of NE 13 Street to NE 11 Street. The MacArthur Causeway ramps to and from Biscayne Boulevard are also experiencing flooding. Travel lanes on Biscayne Boulevard will be closed if needed until the water recedes. Drivers should seek alternate routes.

ABOUT THE PROJECT

The I-395/SR 836/I-95 Design-Build Project will add capacity, enhance the flow of traffic and safety and improve access along I-395, SR 836 and I-95.

Please note that this schedule may change due to bad weather or other unforeseen conditions.

The work is part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.

For additional information on the project please contact Oscar Gonzalez at 786-280-0983 or via email at ogonzalez@mrgmiami.com. Additional project information can be found on the project website, www.I-395miami.com.
