CLOSURE OF THE NORTHBOUND I-95 RAMP TO BISCAYNE BOULEVARD (EXIT 2B) FOR CONSTRUCTION OF A SURVEYING TOWER

- **TUESDAY, OCTOBER 11 THROUGH THURSDAY, OCTOBER 13** - The northbound I-95 ramp to Biscayne Boulevard (Exit 2B) will be closed between the hours of 8 p.m. and 5:30 a.m. on Tuesday, October 11 and between the hours of 10 p.m. and 5:30 a.m. on Wednesday, October 12 and on Thursday, October 13. The closures are necessary to install a surveying tower that will be used during the ongoing construction of the I-395 signature bridge. The first phase of the tower installation on Tuesday will involve vibrating a steel pipe into the ground to support the surveyors' platform. This operation will produce noise and possibly vibrations and will be done during the earlier part of the ramp closure period to minimize impacts to the surrounding neighbors. Drivers can:
 - Continue east on I-395 onto the MacArthur Causeway
 - Turn right onto Jungle Island Trail just after the Miami Children's Museum
 - Follow Jungle Island Trail and turn onto westbound MacArthur Causeway
 - Continue west on MacArthur Causeway to access the Biscayne Boulevard ramp (Exit 2)

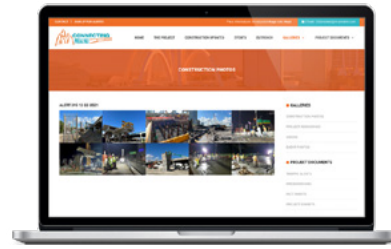

ABOUT THE PROJECT

The I-395/SR 836/I-95 Design-Build Project will add capacity, enhance the flow of traffic and safety and improve access along I-395, SR 836 and I-95.
