

I-395/SR 836/I-95 DESIGN-BUILD PROJECT

Financial Project Numbers: 251688-1-52-01, 423126-1-52-01, 423126-2-52-01, 429300-2-52-01

08-29-2023

POTENTIAL FLOODING ALERT

Forecasted heavy rainfall associated with Hurricane Idalia and seasonal King Tides have the potential to cause flooding in Downtown Miami and adjacent areas starting today through Friday, September 1. Roadway flooding is typically seen along Biscayne Boulevard between NE 11 Street and NE 13 Street as well as the ramps to and from the MacArthur Causeway. Drivers should avoid flooded areas and seek alternate routes.

ABOUT THE PROJECT

The I-395/SR 836/I-95 Design-Build Project will add capacity, enhance the flow of traffic and safety and improve access along I-395, SR 836 and I-95.

Please note that this schedule may change due to bad weather or other unforeseen conditions.

The work is part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.

For additional information on the project please contact Oscar Gonzalez at 786-280-0983 or via email at ogonzalez@mrgmiami.com. Additional project information can be found on the project website, www.I-395miami.com.
