## NEW TRAFFIC PATTERN FOR SOUTHBOUND I-95 DRIVERS HEADING TO EASTBOUND I-395 STARTS DECEMBER 15

On **FRIDAY MORNING, DECEMBER 15**, a new traffic pattern will be implemented for drivers on southbound I-95 heading to eastbound I-395. Drivers on southbound I-95 will continue to use exit 2D and be diverted to the new eastbound I-395 bridges. Drivers wanting to continue to the MacArthur Causeway can stay left onto mainline I-395, and those wanting to exit at NE 2 Avenue or Biscayne Boulevard will now use exit 2B on the right. To view a larger map of the new traffic pattern, please click [here](#). Electronic message boards and other signage will be in place to alert drivers to the new pattern.

---

## ABOUT THE PROJECT

The I-395/SR 836/I-95 Design-Build Project will add capacity, enhance the flow of traffic and safety and improve access along I-395, SR 836 and I-95.

---

**Please note that this schedule may change due to bad weather or other unforeseen conditions.**

The work is part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.

For additional information on the project please contact Oscar Gonzalez at 786-280-0983 or via email at [ogonzalez@mrgmiami.com](mailto:ogonzalez@mrgmiami.com). Additional project information can be found on the project website, [www.I-395miami.com](http://www.I-395miami.com).
