POSTPONED DUE TO WEATHER NEW TRAFFIC PATTERN FOR SOUTHBOUND I-95 DRIVERS HEADING TO EASTBOUND I-395 RESCHEDULED FOR DECEMBER 20

The new traffic pattern for southbound I-95 heading to eastbound I-395 has been postponed due to weather. The new traffic pattern will now be implemented on **WEDNESDAY MORNING, DECEMBER 20**. Drivers on southbound I-95 will continue to use exit 2D and be diverted to the new eastbound I-395 bridges. Drivers wanting to continue to the MacArthur Causeway can stay left onto mainline I-395, and those wanting to exit at NE 2 Avenue or Biscayne Boulevard will now use exit 2B on the right. Drivers on northbound I-95 heading east on I-395 will now need to merge to the left after entering the new I-395 bridges. To view a larger map of the new traffic pattern, please click [here](#). Electronic message boards and other signage will be in place to alert drivers to the new pattern.

ABOUT THE PROJECT

The I-395/SR 836/I-95 Design-Build Project will add capacity, enhance the flow of traffic and safety and improve access along I-395, SR 836 and I-95.

Please note that this schedule may change due to bad weather or other unforeseen conditions.

The work is part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.

For additional information on the project please contact Oscar Gonzalez at 786-280-0983 or via email at ogonzalez@mrgmiami.com. Additional project information can be found on the project website, www.I-395miami.com.
