## TRAFFIC PATTERN CHANGES

### Traffic Pattern Changes on the I-95 Ramps to Eastbound I-395 and on Eastbound I-395

- **MONDAY MORNING, JULY 1** – One lane on the southbound I-95 ramp to eastbound I-395 will be closed until mid-2023 to allow for the construction of new bridges adjacent to the ramp as well as the new mainline I-395. The ramp lane closure will extend to just east of NW 1 Avenue. One lane on the ramp will remain open during peak travel times. In order to implement the new traffic pattern, it will be necessary to close the entire ramp on Sunday night, June 30 between the hours of 10 p.m. and 5:30 a.m. Drivers can follow the detour below:
  - Continue south on I-95, exit at the NW 8 Street (Exit 3B)
  - Turn left on NW 8 Street, continue east on NW 8 Street
  - Turn left at Biscayne Boulevard to access the A1A North/Miami Beach Ramp
  - *NOTE: I-195 can also be used as an alternate route to access Miami Beach*

**TO VIEW A MAP OF THE DETOUR AND THE RAMP LANE CLOSURE PLEASE [CLICK HERE](#).**

- **TUESDAY MORNING, JULY 2** – Traffic on the eastbound I-395 ramp connector road from east of I-95 to North Miami Avenue will be shifted to the south side of the roadway to allow for the construction of new bridges. In order to implement the traffic shift, one eastbound I-395 lane will need to be closed from east of I-95 to Biscayne Boulevard on Sunday, June 30 and Monday, July 1 between the hours of 10 p.m. and 5:30 a.m.

*Continue reading on the next page...*

- **WEDNESDAY MORNING, JULY 3** – The travel lane and shoulder widths on the single lane ramp from northbound I-95 to eastbound I-395 will be reduced to allow for the construction of new bridges. The travel speed on the ramp will be reduced to 25 miles per hour. In order to implement the new traffic pattern, it will be necessary to close the entire ramp on Tuesday night, July 2 between the hours of 10 p.m. and 5:30 a.m. Drivers can follow the detour below:
  - Exit at the NW 2 Street ramp (Exit 2B)
  - Continue north on NW 3 Avenue, then turn right on NW 8 Street
  - Continue east on NW/NE 8 Street
  - Turn left on Biscayne Boulevard to access A1A North/Miami Beach
  - *NOTE: I-195 can also be used as an alternate route to access Miami Beach*

**TO VIEW A MAP OF THE DETOUR PLEASE [CLICK HERE](#).**

**NOTE: To view other project related closures please [click here](#).**

---

**Please note that this schedule may change due to bad weather or other unforeseen conditions.**

The closures are part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.

For more information, please call Construction Community Outreach Specialist Oscar Gonzalez at 786-280-0983 or go to the website at [www.I-395miami.com](http://www.I-395miami.com). For around-the-clock, real-time, traffic information, call 511 or go to [www.fl511.com](http://www.fl511.com). Remember: stay safe. Stay in your lane.
