CONNECTING MIAMI

I-395/SR 836/I-95 DESIGN-BUILD PROJECT

You are invited to a virtual meeting!

The Florida Department of Transportation (FDOT) and the Miami-Dade Expressway Authority (MDX) are holding a virtual meeting on Thursday, April 16, at 6 p.m., to advise residents and business owners of upcoming temporary changes to the roundabout located at NW 4 Avenue, just north of I-395, and the alleyway that connects NW 4 Avenue to NW 3 Avenue located at the Overtown Plaza (1490 NW 3 Avenue). Interested parties can participate in the meeting by using one of the two methods noted below:

VIRTUAL MEETING DATE: THURSDAY, APRIL 16
MEETING TIME: 6 P.M. TO 7 P.M.

Computer/Smartphone
Go to: https://global.gotomeeting.com/join/931147021

Telephone
Call: +1 (872) 240-3311
Enter access Code: 931-147-021

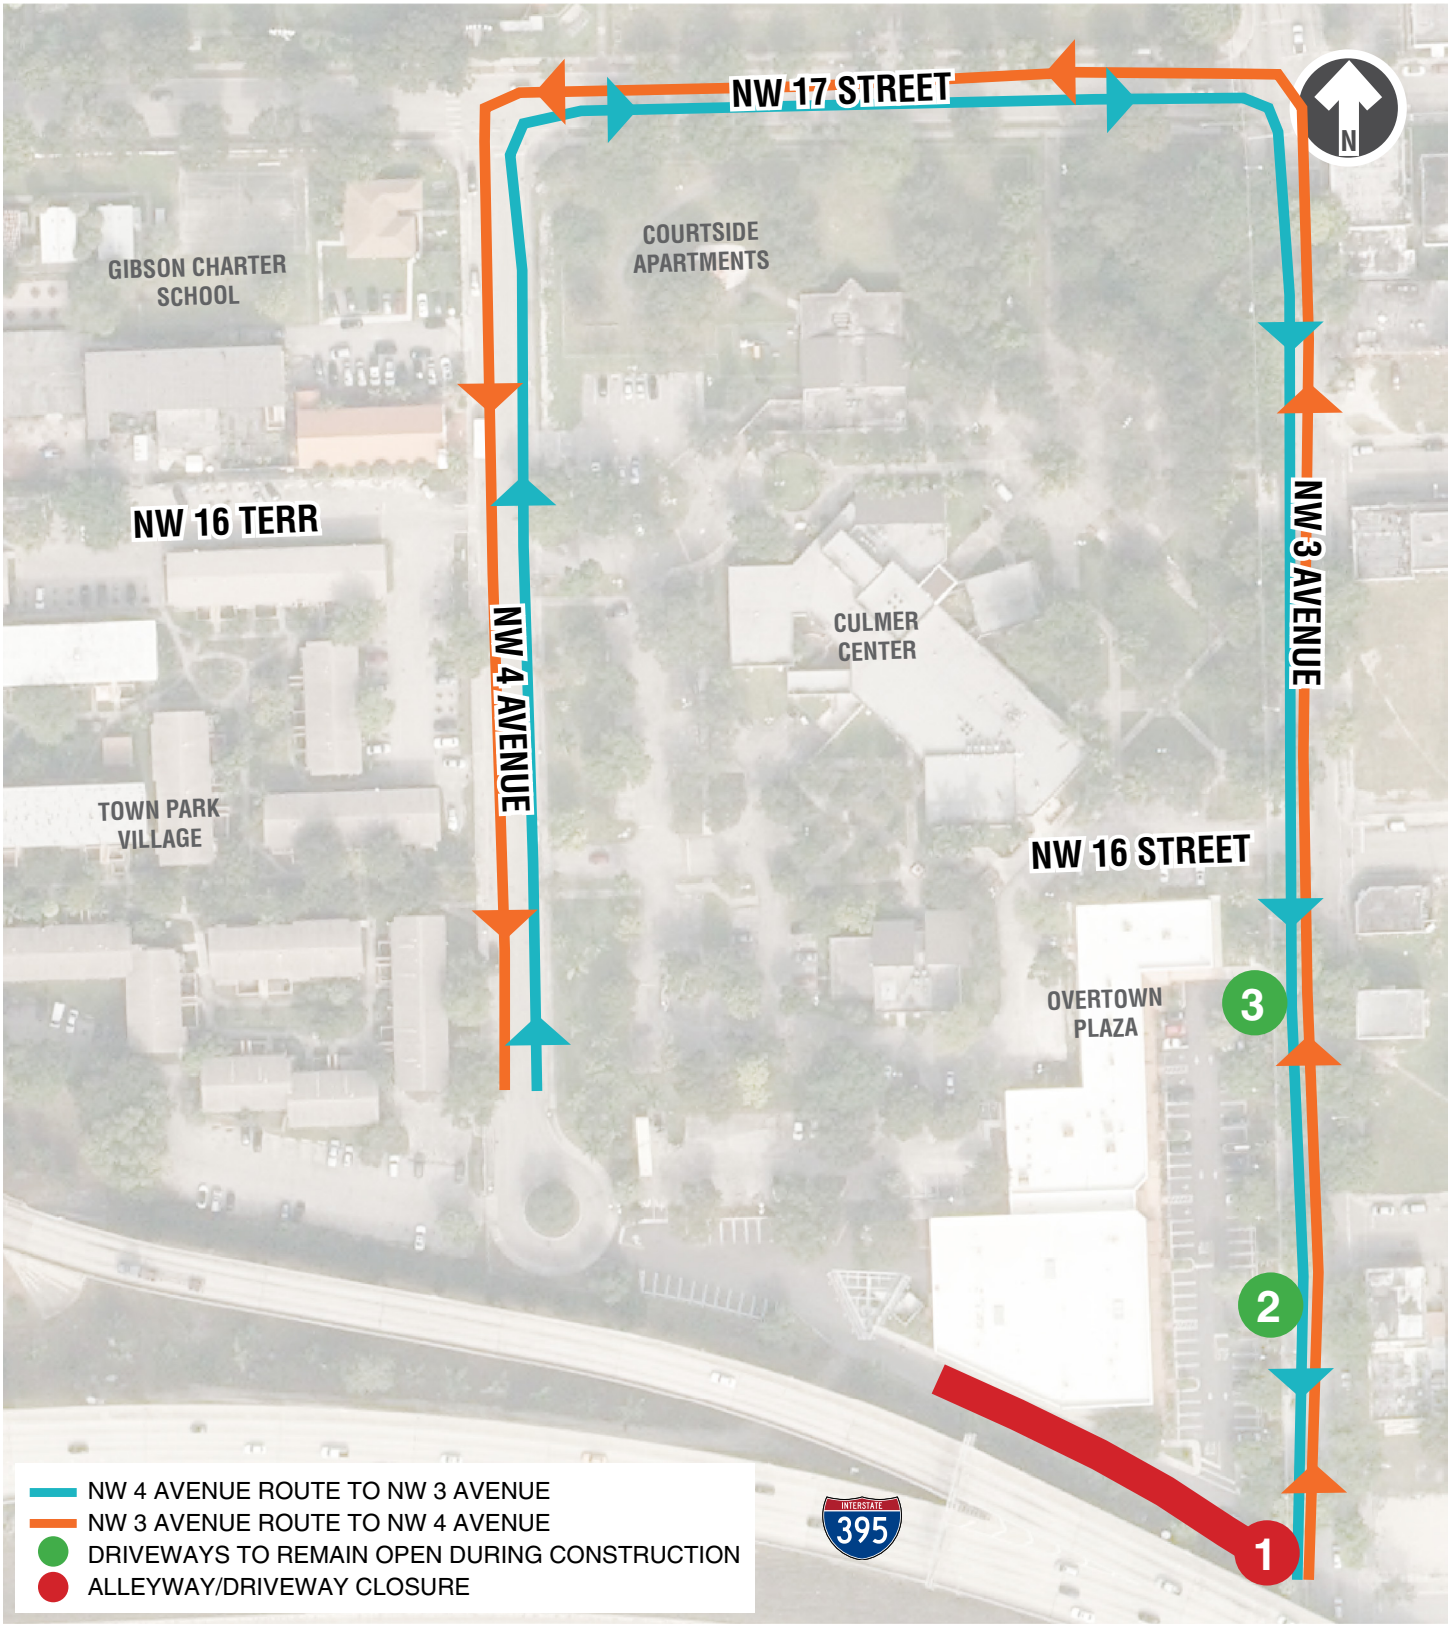
The temporary changes, noted in the attached maps, are necessary to construct the foundations, columns and bridges as part of the I-395/SR 836/I-95 Design-Build Project. The work impacting the roundabout and the alleyway is expected to take approximately 14 months.

The I-395/SR 836/I-95 Design-Build Project will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard and community spaces under I-395 from NW 3 Avenue to Biscayne Boulevard.

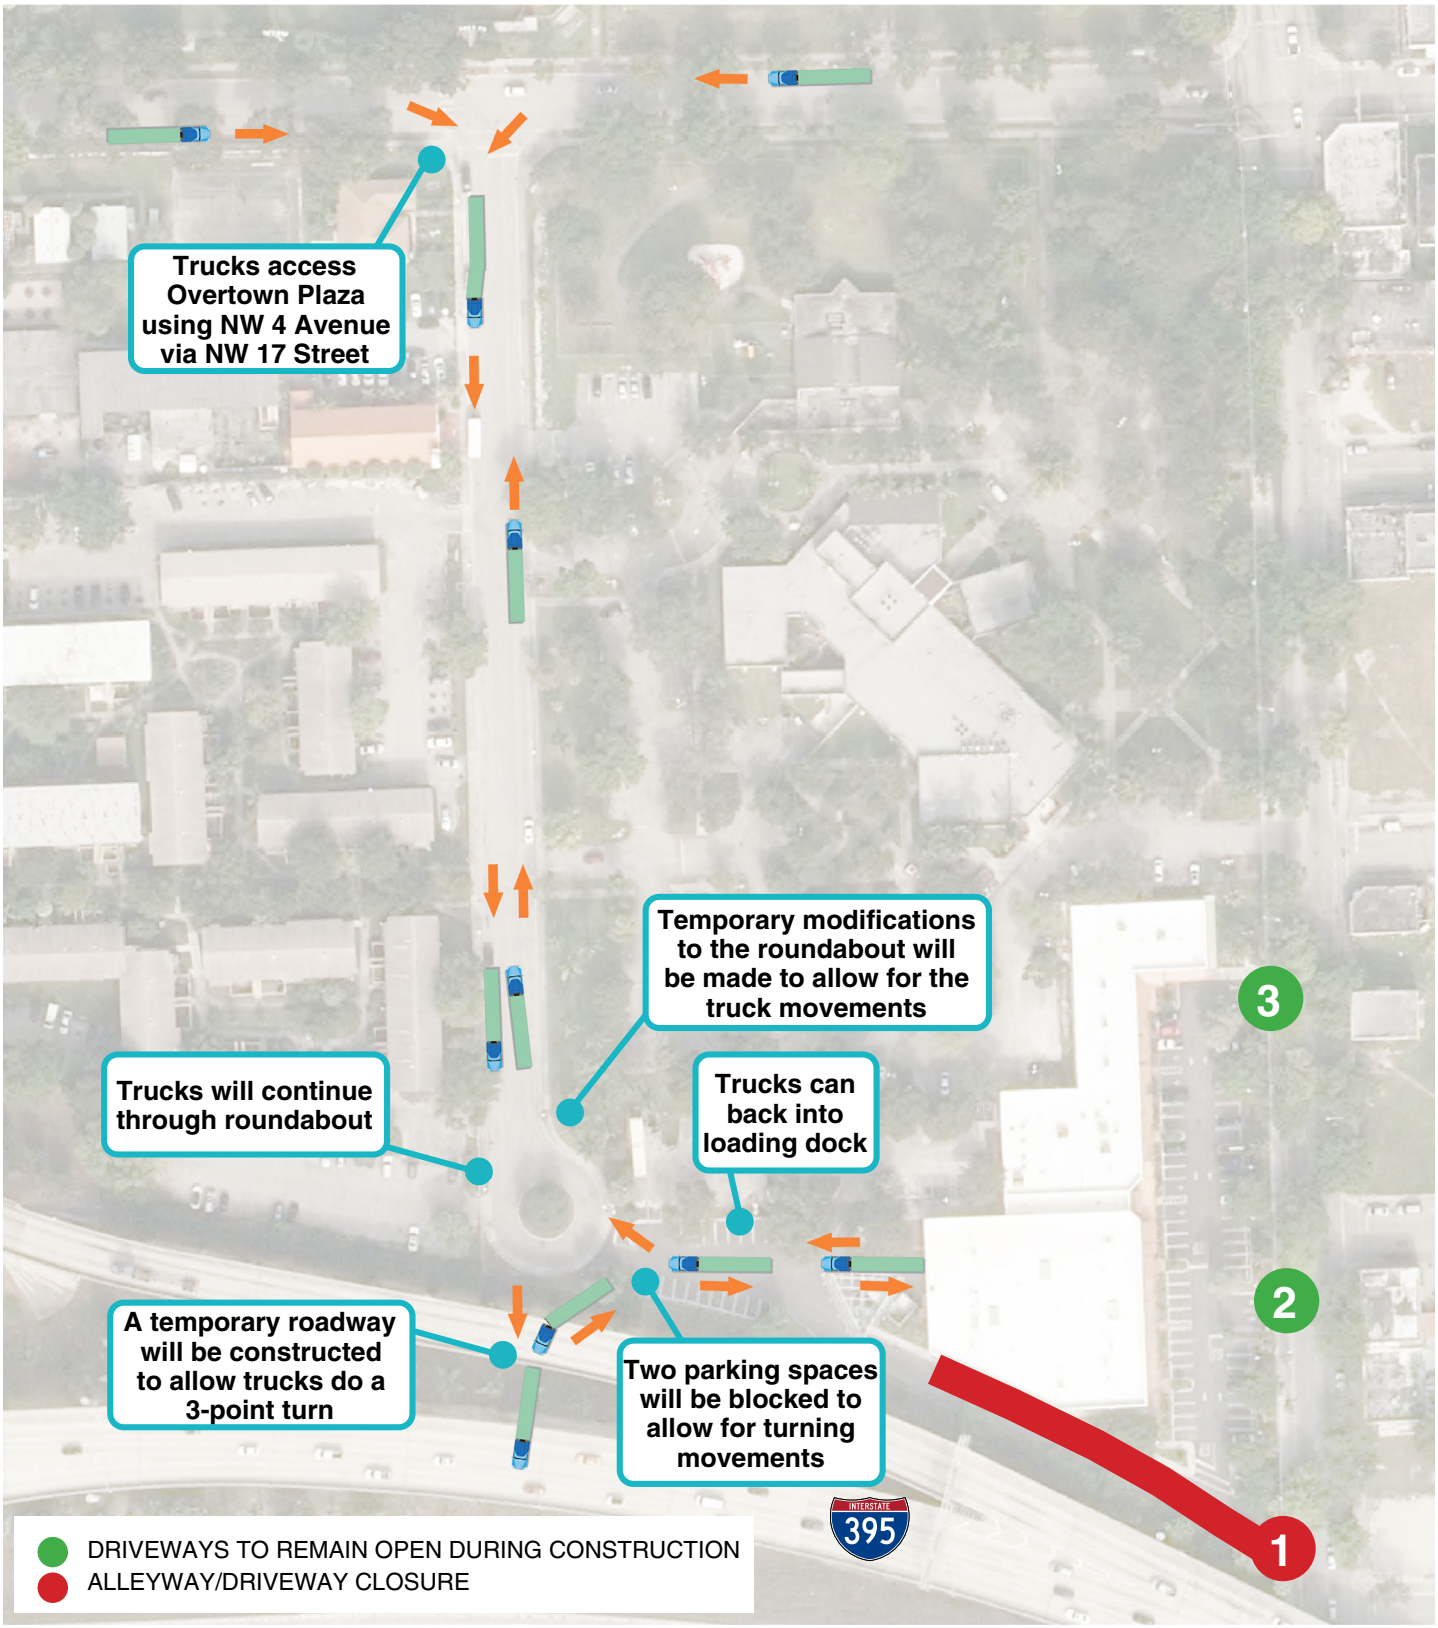
If you are having trouble accessing the virtual meeting or cannot attend, you can call Construction Community Outreach Specialist Oscar Gonzalez at 786-280-0983. For more information go to the project website www.I-395miami.com.

FDOT | MDX

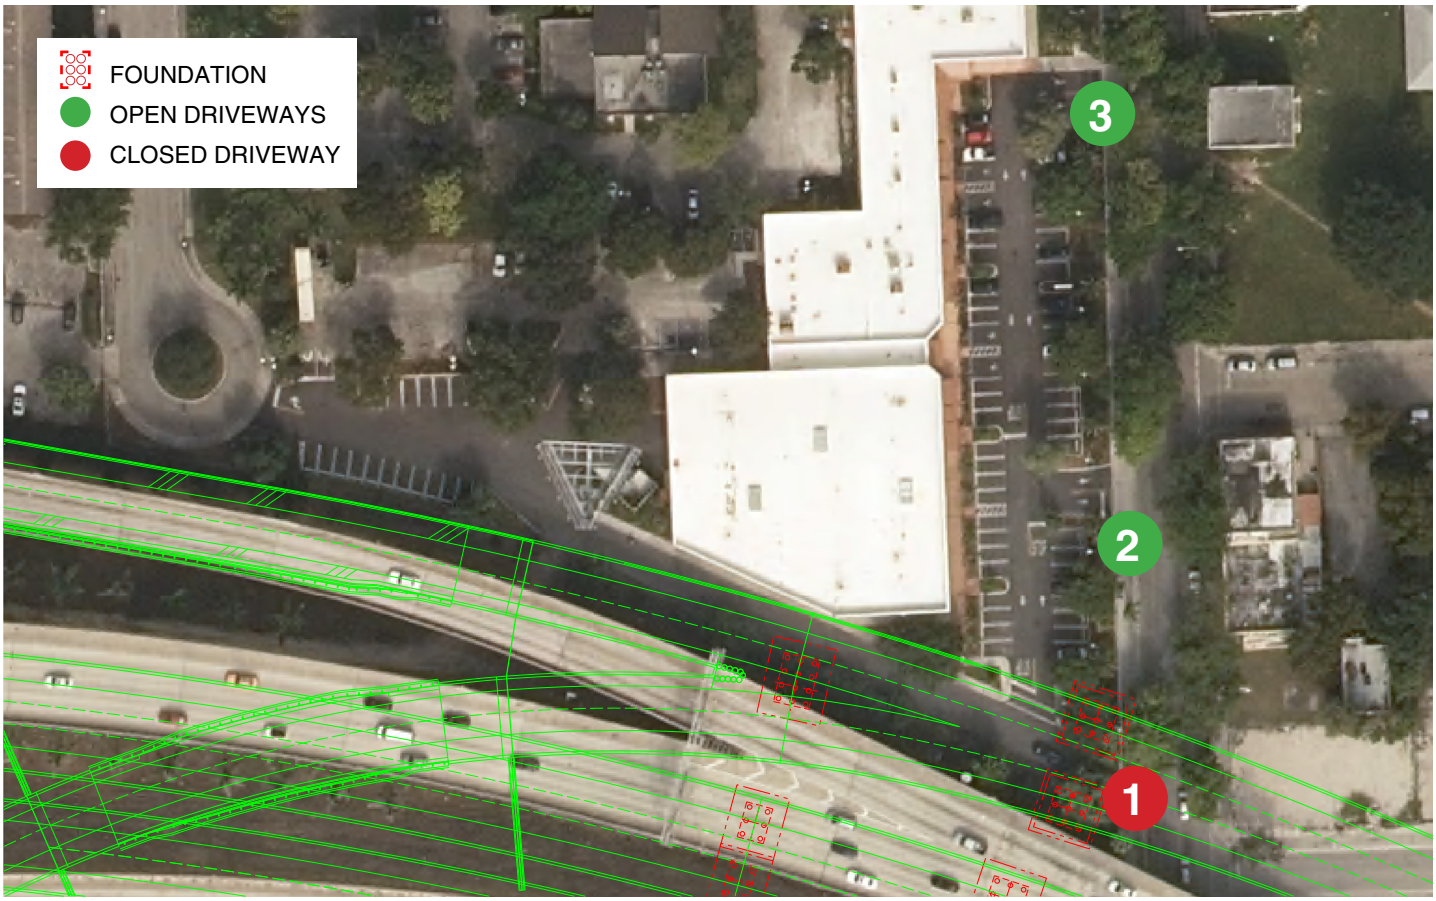
ALTERNATE ROUTING BETWEEN NW 3 AVENUE AND NW 4 AVENUE DURING ALLEYWAY CLOSURE



TRUCK ACCESS TO OVERTOWN PLAZA VIA NW 4 AVENUE



LOCATION OF BRIDGE FOUNDATIONS ADJACENT TO THE OVERTOWN PLAZA



Once completed, the bridge foundations will be underground and will not block access through driveway No. 1 or the alleyway. Only the bridge support column will be visible. Only driveway No. 1 will need to be closed during construction, driveways No. 2 and No. 3 will remain open at all times. Once construction of the foundations, columns and bridges over the alleyway and driveway have been completed, driveway No. 1 will be reopened and the area will be restored to its original condition.
